

PRE-ANNOUNCEMENT

ISAP2025 Student Design Contest

2025 International Symposium on Antennas and Propagation

October 27-31, 2025, Fukuoka, Japan

<https://www.isap2025.org/sdc>

About ISAP2025 Student Design Contest:

ISAP2025 Student Design Contest (SDC) will be held during the 2025 International Symposium on Antennas and Propagation (ISAP2025) at ACROS Fukuoka in Fukuoka, Japan, from October 27 (Monday) through 31 (Friday), 2025. The aim of ISAP2025 SDC is to promote student innovation and creative activities in antennas, propagation, and the related research fields. Excellent designs will be awarded during the conference and will receive cash awards!

Contest Categories (Tentative):

- A) Propagation Estimation
- B) Flexible Antenna Design

Schedule (Tentative):

Announcement of Contest: Nov. 2024
Deadline for SDC entry: June 2025
Competition: Oct. 27 - 31, 2025 (TBD)

Venue:

Fukuoka is in the north of Kyushu island in Japan. It is well-known to be a compact and stress-free conference zone in a highly attractive city with rich food, culture, and hospitality. Convenient connection from the World and Asia is another attractive point.

Information:

Detailed information will be announced soon at the ISAP2025 web page (<https://www.isap2025.org>) and the SDC web page (<https://www.isap2025.org/sdc>).
