

Information on ISAP2025 booth exhibition and corporate technical seminar recruitment

Dear Exhibitors and future exhibitors,

The 2025 International Symposium on Antennas and Propagation (ISAP 2025) will be held at ACROS Fukuoka in Fukuoka, Japan from October 27 (Monday) to 31 (Friday), 2025. This symposium is held every year in Japan and other Asian countries with the support of the US IEEE, etc., and this is the first time in five years since Osaka in 2020 in Japan. It expects 900 participants from inside and outside Japan.

We will inform you of the “information on ISAP 2025 booth exhibition & corporate technical seminar” held in parallel with the general technical sessions in ISAP 2025 symposium. This event is attended not only by the domestic and overseas antenna and propagation engineers and researchers but also by students. We hope you can develop new businesses and exchange between industry and academia through this exhibition.

Please refer to the attached application guidelines and consider exhibiting.

Details of ISAP2025 will be posted on the following website:

ISAP 2025 website URL: <http://www.isap2025.org/>

Sincerely,

Toru Fukasawa

ISAP2025 Exhibition Committee Chair
